ACE Training and Consulting is specialized in providing national and international recognized vocational, health, safety and environment, commercial training courses and accreditations to our clients.

ACE Training and Consulting also provides consultancy services in developing, implementing and maintaining different Management systems.

It is the policy of our company to continually improve our services and committed to exceed expectation of our learners, clients and customer, backed by a team of expert and technically qualified professionals. The company will also comply with statutory regulation with the implementation of ISO 9001:2015 standards.

We shall communicate this policy to all our employees and interested parties and review it periodically for its continuing suitability.

**Mir Muzaffar Ali Khan**  
**Chief Executive Officer**
