

ACE Training and Consulting is an IOSH accredited training provider approved to offer the:

IOSH Managing Safely

IOSH Managing Safely is the number one health and safety course for anyone and everyone, in any industry or sector worldwide.

IOSH Managing Safely is a market leading health and safety designed to provide confidence and enthusiasm to apply knowledge to the workplace.

Aims of the course

The IOSH Managing Safely course aims to ensure that health and safety requirements are appreciated by people employed in an organization and to enable them to conduct risk assessment and thereby review their own departmental systems for safety, introduce new controls or implement changes as appropriate to the workplace.

Who is it for?

IOSH Managing Safely course is aimed at anyone and everyone in a working role who wants to learn the basics of health and safety.

Entry Requirements

There are no entry requirements for this qualification.

It is important that learners have a suitable standard of English language so they can understand and articulate the concepts contained in the syllabus. We recommend that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IELTS) score of 5.0 or higher in IELTS tests.

Course contents

The IOSH Managing Safely course consists of 7 modules.

Module 1 - Introducing Managing Safely

- How do incidents happen?
- ❓ • How do you carry out an investigation?

Module 7 - Measuring Performance

Key learning points:

- What's performance measurement about?
- How do you measure health and safety performance?
- What is auditing?

Course Duration

The course duration is 21 hours and can be delivered over 3 / 4 / 5 Days

How is this qualification assessed?

An IOSH Managing safely certificate is awarded to all those who attend the course and successfully complete both the written and practical assessments.

Understanding of the course material is evaluated by means of a written assessment paper consisting of 30 multi-format questions and a practical risk assessment.

Certification

You will receive your results within 10 working days of sitting the assessments. Once you have achieved a pass a qualification parchment will be issued by IOSH. This is normally within 20 working days of the confirmation of successfully passing.
