

**ACE Training and Consulting in association with Cosmic Safety PVT. LTD. are offering the:**

## **OTHM Level 6 Diploma in Occupational Health and Safety October 2021 specification**

The Level 6 qualifications in Occupational Health and Safety offered by OTHM are developed to provide learners who have or are looking to develop into a senior role in an organisation for managing health and safety policy and practice. Learners will gain the skills and knowledge to understand the legal and regulatory background to occupational health and safety policy, to be able to assess policies, as well as to recommend and implement policy changes. Learners will develop knowledge and skills relevant to putting policy into practice, utilising management systems, resources, risk and incident management, leadership, management and skills development.

### **Who is this qualification suitable for?**

This qualification is for those who have or are looking to develop into a senior role in an organisation for managing health and safety policy and practice.

### **What does this qualification cover?**

The OTHM Level 6 Diploma in Occupational Health and Safety consists of 7 mandatory units:

1. Health and Safety Management Principles and Policy (8 credits)
2. Health and Safety Management Practice (10 credits)
3. Risk and Incident Management (8 credits)
4. Promoting a Positive Health and Safety Culture (6 credits)
5. Maintaining a Safe Workplace Environment (12 credits)
6. Health and Safety Law, Regulation and Influence (8 credits)
7. Development of the Health and Safety Practitioner (8 credits)

### **How is the qualification assessed?**

All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.

To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the Assessor.

### **Professional recognition**

#### ***Professional body recognition***

Individuals successfully completing the diploma qualification will be eligible to apply for the Graduate level of membership of IOSH.

The OTHM Level 6 Diploma in Occupational Health and Safety consists of 7 mandatory units for a combined total of 60 credits.
